

# Do It With Ease

HoodRich Pablo Juan

Go 'head O  
Danny Wolf  
Haha, yeah  
Fuck goin' on Danny?  
So, I go by the name of Pablo Juan  
Do this shit with ease  
You can't try too hard, you know what I'm sayin'  
Gotta be easy, that way, huh, yeah

I can't help it that I do it with ease  
Shawty fresh just like some Febreze  
Chain on my neck and it look like the seas  
Dirty my Fanta, my shit like disease  
She bad but I got her on her knees  
I turn that nigga to Christopher Reeves  
Yeah, nigga I do it with ease  
Fucked her too hard and I pulled out her weave  
Yeah, nigga I do it with ease  
I make this shit look easy  
I just go get the cheese  
All of these niggas, they cheesy  
I can tell she wanna please me  
Ooh, drippin' on 'em like I'm bleedin'  
My whip pull up in it, the same color semen  
Shawty got a fat ass like Serena

I do what I want 'cause I'm livin' single  
I stack them chips up just like Pringles  
Pablo Juan, I'm back at an arena  
I got the pack in the trap like it's Bingo  
Nigga I always win like a casino  
Ooh, I want them C notes  
She want me fuck 'round the back to my single  
Diamonds hittin' like Ike beatin' up Tina  
Ayy, ayy, how you do that?  
Came up from nothin', now I got all of that  
Fuckin' that ho, I ain't callin' back  
I remember seven grams, that was the starter pack  
Now I got six bitches on the party pack  
All I do is sell drugs and rap  
All I do is spend a dub at Saks  
Stack up the hundreds, stack up the fifties, I want it all, ooh  
Buy me a pint, I bust the seal, I know it's raw, ooh  
She eat it up, she eat it up, it's all in her jaw, ooh  
How you do that?  
I got the sack and you fumbled the ball

I can't help it that I do it with ease  
Shawty fresh just like some Febreze  
Chain on my neck and it look like the seas  
Dirty my Fanta, my shit like disease  
She bad but I got her on her knees  
I turn that nigga to Christopher Reeves  
Yeah, nigga I do it with ease  
Fucked her too hard and I pulled out her weave  
Yeah, nigga I do it with ease  
I make this shit look easy

Shawty got a fat ass like Serena

Drip, drip, ooh, shawty drip just like the sink  
Frrat, frrat, pull up and spray like this paint  
I really do what you can't  
The vault in my house and it look like a bank  
I make the chopper sing like it's Tank  
You think that bitch bad but she ain't  
Coolin', smokin', I let your bitch roll it for me  
Every day I be dead fresh, I be feelin' like a ceremony  
I ain't gotta chase these bitches, they on me  
I want a thick girl, nothin' bony  
I put the dick on her, got her moaning  
Still up countin' money, six in the morning  
I got these dead guys on me just like they huntin'  
Hundred thousand on me like I was tauntin'  
Hoodrich, came from nothin' to somethin'  
HoodWolf, I don't play 'bout the money  
Nah, we don't play about the money  
We do not play 'bout that money  
I just spent fifteen thousand, it's only Monday  
Put it in her face, she see when I'm comin'

I can't help it that I do it with ease  
Shawty fresh just like some Febreze  
Chain on my neck and it look like the seas  
Dirty my Fanta, my shit like disease  
She bad but I got her on her knees  
I turn that nigga to Christopher Reeves
