

## Do This

HoodRich Pablo Juan

Do that, do that, do it  
Kenny Beats  
Ooh, Bighead on the beat

If you sad, do this  
If you mad, do this  
Get that cash, do this  
Bitches bad, do this  
Getting that cash, do this  
Getting them racks, do this  
Get on them Xans, do this  
Get on that lean, do this  
Get on them Percs, do this  
Bought her a purse, do this  
Drinking that syrup, do this  
Stay on alert, do this  
Racks on my shirt, do this  
You might get hurt, do this  
Going berserk, do this  
Making her squirt, do this

I do it, I do it, I do it  
Filthy rich like the sewage  
I get money like I'm Jewish  
Fuck that little bitch, make her chew it  
I get the check, like Nike, I just do it  
Serving that pack, I gotta jugg  
I don't just rap, I really do it  
I'm in the hood, I'm good  
Thousand dollars for my fit  
Hundred thousand on my wrist  
Different designers, I pick  
I be riding with the stick  
No, this Rollie don't tick  
All this water, I got seasick  
Coming for a sack like I play defense  
Put a foreign on a deep dish

If you sad, do this  
If you mad, do this  
Get that cash, do this  
Bitches bad, do this  
Getting that cash, do this  
Getting them racks, do this  
Get on them Xans, do this  
Get on that lean, do this  
Get on them Percs, do this  
Bought her a purse, do this  
Drinking that syrup, do this  
Stay on alert, do this  
Racks on my shirt, do this  
You might get hurt, do this  
Going berserk, do this  
Making her squirt, do this

I do it for real, I don't be faking  
Fuck 12, I don't eat bacon

I fuck and leave, I ain't hoe-saving  
Bad bitch, she a Asian  
Ice on my neck like a glacier  
V12 like I'm racing  
My plug came from immigration  
All these diamonds and designer, goodness gracious  
One on one, I beat the cut and I slave it  
Exotic weed, moonrock on occasion  
MONY POWR RSPT, we don't do trading  
I be in Baltimore like a Raven  
How you get rich and you came from the pavement?  
Rolling up cookie, do you taste it?  
Momma know I'm strapped up, say you crazy  
Don't got a bank of checks, but I'm chasing

If you sad, do this  
If you mad, do this  
Get that cash, do this  
Bitches bad, do this  
Getting that cash, do this  
Getting them racks, do this  
Get on them Xans, do this  
Get on that lean, do this  
Get on them Percs, do this  
Bought her a purse, do this  
Drinking that syrup, do this  
Stay on alert, do this  
Racks on my shirt, do this  
You might get hurt, do this  
Going berserk, do this  
Making her squirt, do this
