

## Easy

HoodRich Pablo Juan

Balance is key  
Balance good, karate good  
Everything good  
Balance bad, better pack up, go home  
Understand?

They think it's easy  
The streets greasy  
My niggas, they depend on me and my mama, she need me  
Told myself I'll get a plate and all my niggas eating it  
All up in the situation, blessed just to be breathing  
Think it's easy? Shit ain't easy  
Think it's easy? Shit ain't easy  
Got some niggas that'll never come home, they'll never breathe again  
They think it's easy, but I'm working hard, I'm praying when

This shit ain't easy, this shit took hard work  
Pour a four of mud, that's for my niggas that's in the dirt  
When my nigga Gentrell died, that shit hurt  
Taught me a valuable lesson: fuck the hoes, nigga, money first  
I wanna get rich, can't go to work  
I remember days my dick was in the dirt  
Then got it up, started rocking Ballys, smoking purp  
Used to be ignorant, but I learned  
A lot of niggas acting real, but they turnt  
Gotta buy mama whatever she want  
Treated you like a brother, but you don't  
Hold up, nigga, I don't like to talk

They think it's easy  
The streets greasy  
My niggas, they depend on me and my mama, she need me  
Told myself I'll get a plate and all my niggas eating it  
All up in the situation, blessed just to be breathing  
Think it's easy? Shit ain't easy  
Think it's easy? Shit ain't easy  
Got some niggas that'll never come home, they'll never breathe again  
They think it's easy, but I'm working hard, I'm playing to win

Think it's easy everyday in the streets?  
Take a chance every time when all I could do is pray, I never panic  
I done a show, praying every time I landed  
I worked hard for it, I ain't had nothing handed  
Think I need a silver spoon for? It ain't no cereal  
I used to have to sleep on dirty clothes, it's a miracle  
I gotta get the money, I don't care nothing 'bout material  
You can be my partner, now I'm contemplating on killing them

They think it's easy  
The streets greasy (You know what I'm saying?)  
My niggas, they depend on me and my mama, she need me (Got bigger shit to do  
, man, you know what I mean?)  
Told myself I'll get a plate and all my niggas eating it (All my niggas depe  
nd on me, man, gotta buy mama a big house, man)  
All up in the situation, blessed just to be breathing (Gotta buy mama some C  
artiers, you know what I'm saying)  
Think it's easy? Shit ain't easy (Shit ain't easy, real street shit, nigga)

Think it's easy? Shit ain't easy (Y'all niggas don't know what it's like to be me, man)  
Got some niggas that'll never come home, they'll never breathe again (Can't man walk a mile in these Givenchys, bro)  
They think it's easy, but I'm working hard, I'm playing to win (That's on Allah, nigga, 1'5, MONY POWR RSPT, man)
