

Get To It

HoodRich Pablo Juan

Get to it, I need to get to it
I had to get to it, I hit the block, I had to get to it
Had to get to it, I had to get to it
I hit the block, I had to get to it
Poppi there, swear I had to get to it
Get to it, running the trap house, I had to get to it
I hit the block, had to get to it
my momma, I'll get to it
Get to it, I hit the block, had to get to it
I'm in the trap, had to get to it

I hit the block, had to get to it
I'm in the trap, had to get to it
Hundreds on me, got to get to it
Hundreds on me, got to get more
Hundreds on me, got to get more
I already know, fuck on your hoe
Pour up a four, Poppi, Pablo, show from the floor
I'm low on ammo in
I got a hammer, no MC Hammer
Pull up in Rarri, shoot up the whole Phantom
I was in Vegas in
You want a bitch? You can have her
I got to fuck in the no camo
Size up my nigga getting paid
Bet you I got money, I don't have it my way
Cash in at Lenox, I'm stuck in my ways
Still paid a forty for that new
This shit on fuck shit can't stay, oh by the way
Book to her, hook to her, I don't really to her
Don't never new to her, I had to get to her

Inspector Gadget, double-R Ghost Ghost
Trap dabbing, I got the mojo
Banana clips on the chopper, Mojo Jojo
I'm smoking cookie, Donatello
Chanel, Givenchy, Buscemi, eeny, miny, moe
Elimidate with three hoes
We grew up playing "Fuck the Police", we all robbing
I found out you got it, I'll kick down your door
Don't trap with no strap when you trap at the store
Got the dummy birds, I call them dodos
Me and Poppi popping, ain't no more at the store
I got these bitches taking photos
Multitask, whip a brick while I pour up a four
They gon' call me Longo, get the gold
Stupid hoe asked me why I had two choppers
I'm a shotter, I know how to shoot with a bow
I get two and I focus in the four
Jumped out that Uber, I'm still toting
When I'm in L.A., they treat me like Kobe
In San Antonio, the bricks for Ginobili
Fuck my teachers and whatever they told me
Bitch, you don't know me
Came from the gutter, sleeping with the roaches
They should've had trapping as a sport
I'm just more likely to get all the trophies
