House full of bitches like I'm Hugh Hefner  
My Uncle Joey smoke the dope, that's my dope tester  
I came up in the concrete jungle, walking on leather  
Zanotti handmade these Guiseeppe's, they so special

Giuseppe stepper, sipping Texas, three bitches like Hugh Hefner  
Concrete jungle, walk on leopard, these Giuseppees are special  
Handmade by Zanotti, blue Benjamins in my pocket  
Lamborghini in my cocaine cowboy posse  
Giuseppe stepping in Versace  
Two or three boots and my fifth pint  
When the bricks come in, straight dropping  
My Uncle Joe, that's my tester and my  
Fuck on bitch, you look like Mya  
Giuseppe stepping, we on fire  
Albino edition, they turn into a vampire  
Trapping the block like The Wire  
Supplying the fucking suppliers  
Giuseppe the color of papayas  
Stripes on them, Tony Tiger  
Uncle Joe know I'm paid in full, trying to kick just like ice  
Giuseppe stepping those Nikes  
that say she want to bite me

He ain't on my level, are better  
Fishscale and leather with that gold metal  
I thank these Giuseppees and now they make these hoes wetter  
Cooking up in my Roberto Cavalli gold sweater  
Birds of a feather, zebras and leopard  
I throw an elbow like I'm World Peace, Metta  
I'm on the stove, cooking dope in my tea kettle  
Walking on thousand-dollar shoes, he think the special  
On the trap menu, today, a P special  
Come and get three, you get three extra  
Had to go see my probation, Giuseppe stepper  
I'm on all kind of drugs, don't need that pee test
