

# Hit It From The Back

HoodRich Pablo Juan

First I get it wet, then I bend you over  
Next I put this dick in you, now it's game over  
We can do it fast, we can do it slower  
Hit it from the back, trying to put it in your shoulder  
Hit it from the front, open legs like a folder  
I want on the bed, on the floor, on the sofa  
Sitting on this dick, she ride it from the back  
And when I stick it deep, I got her doing jumping jacks  
And I let her come first, then she let me catch  
Pull it out in perfect timing, I always make a mess  
Glasses on like a teacher, grade-A sex  
Girl, slow down 'cause that pussy too wet

I'ma run a marathon in that pussy for a mile  
Sex like a pornstar, I'ma show you how  
To make that pussy talk, make that pussy smile  
And it don't make me a dog 'cause I like it doggystyle  
Turn your ass around, let me hit you from the back  
Hit you from the back, girl, hit you from the back  
Turn your ass around, let me hit you from the back, girl  
Hit you from the back, let me hit you from the back

Girl, turn around, I see your butt and for something  
To look back at me, girl, tell me where you're nutting  
Grabbing on your waist, I'm pulling on your hair  
Put your face in the pillow, ass in the air  
Her pussy's so wet, it's raining down her thighs  
Missionary cool, but it's better from behind  
The way she throw it back, it's like we playing catch  
She make it clap when she roll, shawty love to flex  
Put that arch in your back, show me you a freak  
I'ma stick it so deep, I'ma make it knee-sweet  
Give it to her good, make her call me when she horny  
Fuck you all night, give you more in the morning

I'ma run a marathon in that pussy for a mile  
Sex like a pornstar, I'ma show you how  
To make that pussy talk, make that pussy smile  
And it don't make me a dog 'cause I like it doggystyle  
Turn your ass around, let me hit you from the back  
Hit you from the back, girl, hit you from the back  
Turn your ass around, let me hit you from the back, girl  
Hit you from the back, let me hit you from the back

I'm doing backstrokes, I'm deep sea diving  
Come and ride this plane, baby, I'ma be the pilot  
I can tell by the faces you making, you like it  
Down, set, hike, she grabbing balls like she hiking  
I get inside it, beat it like I'm Tyson  
Biting on your ear, spread it on you like icing  
Doggystyle, fucking up that hairstyle  
Smack you on that ass like you was my bad child

I'ma run a marathon in that pussy for a mile  
Sex like a pornstar, I'ma show you how  
To make that pussy talk, make that pussy smile  
And it don't make me a dog 'cause I like it doggystyle

Turn your ass around, let me hit you from the back  
Hit you from the back, girl, hit you from the back  
Turn your ass around, let me hit you from the back, girl  
Hit you from the back, let me hit you from the back
