I like me a freaky ho, she bend over, touch her toes  
It's still money over hoes, throwin' money, I overdosed  
All this ice make 'em froze, Chanel coat cold  
Ain't lovin' no ho, traphouse never closed  
That ass look fatter when she come up out them clothes  
Ooh, whip it like it's pancake batter on the stove  
Damn, fucked her too good, now she tryna be my ho  
I gave her a couple racks and dropped her right off at the store

I turn her 'round and fuck her from the back, that my boo thang  
She just love to fuck somethin', I love when she give me brain  
When I stick it in her deep, it look like she in pain
