HoodRich Pablo Juan

All of my niggas, they ignorant  
All of my niggas, they ignorant  
Pull up, no talking, I'm killing shit  
I ain't from the Chi, but I'm on bullshit  
30 extension with hollow tips  
I know how to count and the water whip  
You smoking moonrocks, I ordered it  
I jumped out the plane with the duck that I boarded with  
All of my niggas, they ignorant  
All of my niggas, they ignorant  
All of my niggas, they ignorant  
All of my niggas, they ignorant  
All of my niggas strapped up like Fort Benning  
Fuck the bitches, nigga, handle the business  
Kill everything, don't leave a witness  
Shoot 'fore we think, my niggas, they ignorant  
All of my niggas, they ignorant

I come from the projects and hop on the private jet  
Too much water on my wrist and neck  
All of my niggas, they ignorant  
Straight up with the bullshit  
30 round clip with the whole stick  
Fuck nigga know that my niggas gon' hit  
I'm a Blood, but I still fuck with Crips  
Big dog status, call up the hit  
My youngins gon' pull up and shoot out and dip  
My bitch say I'm ignorant, I smoke out the zip  
Chicago with me, nigga, might get drilled  
I'm stuck in the hood with the pack and the steel  
I don't know better, still drinking out the seal  
Rich on drugs, I ain't signing no deal  
I'm whipping this shit on the stove, no meal  
My junkies, they ignorant, they ready to kill

All of my niggas, they ignorant  
All of my niggas, they ignorant  
Pull up, no talking, I'm killing shit  
I ain't from the Chi, but I'm on bullshit  
30 extension with hollow tips  
I know how to count and the water whip  
You smoking moonrocks, I ordered it  
I jumped out the plane with the duck that I boarded with

All of my niggas, they ignorant

Get served with the 30  
I'm having the birds and they dirty  
Slide Uncle Sam with the hood and the scully  
I'm strapped up in Lenox Mall, fuck it, I'm thugging

He don't know no better, so I served him a dummy  
I don't know nothing, but I know you better have my money  
I know how to count, thumbing fast through the hundreds  
Don't come around with that bullshit, nigga, cut it  
Cut it, cut it  
Don't give a fuck and they know it, they love it  
You don't know how to cook up the bricks in the oven  
I just bought a new chopper, I can't wait to bust it  
Called up Flint, nigga, tell him I'm flooded  
Go inspect it, nigga, hate it or love it  
Made too much money, you can't tell me nothing  
Hood nigga, jumped out the car, clutching

All of my niggas, they ignorant  
All of my niggas, they ignorant  
Pull up, no talking, I'm killing shit  
I ain't from the Chi, but I'm on bullshit  
30 extension with hollow tips
