

Shoot Like Juddy

HoodRich Pablo Juan

Yeah, eat it up, Champ
Eat it up

How many racks can I fit in my thot bag?
Ride around with the stick and the loud
Fuck 12, we don't fuck with no hounds
Real trapper, I came up off the ground
Balenciaga, I be steppin' in racks (Yeah)
And we drippin' too hard, made her skeet (Yeah)
Make a burger, got bread for the beef (Yeah)
Cut the diamonds like a princess square
Change up the time, got too many diamonds
Water boy, go get the sack like a lineman
You straight? Nigga, you know we got iron
You cap, nigga, we know that you lyin'
Margiela on top of the Gucci (Yeah)
She suckin' and give me a loogie (Yeah)
She nasty, she want it in her booty (Yeah)
Shoot a nigga ass like Juddy (Yeah)

She want the blow like the movie
Hoodrich, high class, raw like sushi
I don't do cap, this ain't illusion
Nigga want rice, so I made him a noodle
I ride with a Draco in the two-door coupe
Interior of the Benz same color as boo-boo
I keep gettin' richer, they think I do voodoo
Got cropped out the picture, find that you snitchin'
I'm a Hoodrich nigga, I'ma fuck on a vixen
Where it go? Damn, the pack got missin'
More Cartiers than the whole state of Michigan
Geeked up, I be on different perscriptions
Exotic gelato, it blow in the whips
In the lab now, I got flavor like dips
Bow bow bow, 38 special
Hotbox the whip and step in Margielas
What you gon' do with that gun, big fella?
