Yeah

Ain't no time for no rest  
On the road to success  
I can't settle for nun less  
I got diamonds they vs  
Make her wet and give me neck  
Pull up in a brand new vet  
I got a blue check yeah  
My diamonds super wet  
My bitch get super wet  
I done got a stupid check  
All that ass what you gone do with that  
I'm drippin on her super wet  
She get super soaker wet  
Diamonds on my wrist and neck  
She flawless like my new baguettes
