

Tu Can Sam

HoodRich Pablo Juan

Need a O of the fruit call Tu can Sam
Fresh when I jump out the truck it's a lamb
I make her go down quick like sand
Pick up a strap Everytime that I land
Straight out the hood got rich that's the plan
My kick is expensive they cost me grand
KKKs like I'm I'm the klan
Got the stick and the drum like I'm in a band
Walk in this bitch with a gun in my hand
Don't give a fuck about you or your man
Foreign bitch match my whip they both tan
I do what I want, you do what u can
This a v12 this ain't a trans am
Kicking shit like I'm jean-Claude can dame
I hit a bitch she in love with lil bam bam
Shooting shut up we gone slide in a minivan

Hood nigga I done got rich I can bond out
Think I'm a hoe try me and u gone find out
Princess cut teeth on my teeth I can't take em out
Flip it like Dolph with Glock that's a paper route

Ain't talking money don't know what u talking bout

Straight out the hood they mad that I made it out

Dripping fresh the death out bleeding out
Used to serve nicks with the cannon wildn out

Fresh out the bank smelling like money
Switched on yo gang, u ain't a hunnit
