

I Can't Take This

Hoods

Screaming at the top of my lungs
No one hears and no one cares!
Your eyes are shut - your mind is shut
Logic fades with every breath
See the masses they follow the crave
They're eating out of your hand
This whole scene is fake
There's nothing left to grasp!

You ask me how i'm doing
I guess everything's all right
Oh by the way did i tell you?
This is the last time i'll ever fight
For your cause, for your just, for anything
You're just using me - I nursed you back to health
Only for you to deceive!

I CAN'T TAKE THIS ANYMORE!
The whole world is on my back
The only trophy I have in this life
Is the callouses on my hands!

Use your f**king head!
Or lose your f**king head!

I CAN'T TAKE THIS ANYMORE!
The whole world is on my back
The only trophy I have in this life
Is the callouses on my hands!
