(Back that ass up, mhmhahaha)
(Back that ass up)
Yeahh, you know the vibes
We're here for a good time not a long time
No one makes it out alive, so go shake some

Yeah
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
Shake some, make yourself useful
I'm outside, with the guys, its the usual
We all here for some funds, so its mutual
Kill that an paint on it, like a mural
I let my chain hang, they know where I'm from
Need some Pérignon, for the 67 dons
Real sinners, breadwinners, you what we on
Champagne showers, girls wanna' stick out their tongue
Double cup, whats up, DJ spin that once
Why you facing me? Turn around and go shake some
I tell em, (what we telling em?)

Back that ass up, Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
(You wanna walk me like a dog?)
Back that ass up
(You wanna walk me like a dog?)
Back that ass up
(You wanna walk me like a dog?)
Back that ass up
(You wanna walk me like a dog?)

Shooters shoot, and we definitely shoot
Yeah we get down and dirty, we ain't tryna be cute (yeah)
You should see how she act when we dust a view
Man I'm way too wacked, so I'm enjoying the view (what else?)
And we pop 42, and we got molly too
And she into all that, so I'm giving her golly too
And they say we on who, these girls gettin' rude
We really do this, it ain't nothing new
Madman crew, no .22s, hollow-tips raining
What you wanna' do?
(Spit on that thang)
(Ah you gotta give it that Hawk tuah!)

You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?

Keep this shit clappin', now I'm leaving hand patterns
While I'm slapping, thats fashion
Now she's in my ear chattin', like I'm 'bout to make it happen
I ain't tryna' hear that, less talk, more action
(Back that ass up)
Less talk, more action
(Back that ass up)
(Back that ass up)

You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
Back that ass up
You wanna walk it like a dog?
