

# Don't Wanna Fight

The Hooters

I don't wanna fight  
I just wanna make love to you  
Don't wanna leave in the morning light  
Don't wanna leave you alone tonight

This hand has played, no secrets left to hide  
Your point is made, why don't you let me come inside  
for a moment and I'll cry you to sleep  
Don't you keep me waiting for you

I don't wanna fight  
I just wanna make love to you  
Don't wanna leave in the morning light  
Don't wanna leave you alone tonight

Black velvet lace ripped up and left behind  
You are the face, brings back another place and time  
Now forgotten, and it's all I can do just to keep me  
waiting for you

I don't wanna fight  
I just wanna make love to you  
Don't wanna leave in the morning light  
Don't wanna leave you alone tonight

My love is an ocean as wide as it is deep  
and it keeps me waiting for you

I don't wanna fight  
I just wanna make love to you  
Don't wanna leave in the morning light  
Don't wanna leave you alone tonight  
Don't wanna leave you alone tonight  
Don't wanna leave you alone tonight  
Don't wanna leave you alone tonight  
Don't wanna leave you alone tonight  
Don't wanna leave you alone tonight  
Don't wanna leave you alone tonight
