

ABC Of Apology

Hooverphonic

A B C D E F G the alphabet of apology
I learns to talk long time ago
It ain't hard for me to say no

A B C D E F G the alphabet of hypocrisy
Too many bad words online
Tasting like cheap quality wine

A B C D E F G this is not an apology
A B C D E F G why don't you stop hurting me

You can tell me what you want
You can tell me what you need
But the only thing you'll get is an empty ugly chair
In an empty house

You can try to agitate
Try to cut me with a blade
But it won't have any effect on me
And my dignity

A B C D E F G the alphabet of apology
No way you can get me down
It is time to see me go

A B C D E F G No time for apologies
Dyslectic feelings won't make me stay
It's too late for repentant prayers
