## **Bad Weather**

## Hooverphonic

You can tell summer is gone by the smell of leaves Lying around as a toy for the autumn breeze Things never change no matte how hard you do say please Nights are getting cold, soon it will freeze

Oh bad weather
Oh dark weather
Tth rain pours hard
Can't see a thing
Erasing the word "together"

Grass is the onl thing that's remaining green Black bears are preparing for their winter sleep All geese are flying to far away seas Days are getting short leaving more time to read
