

## Electro Shock Faders

Hooverphonic

Long black dress  
Hawaian shirt  
Kicking pair of trainers  
Electro shock faders

Guiding your voice through your veins  
Sick of all this working  
Longing for a sinking

Electro shock faders

Guiding your voice through your veins  
Sick of all this working  
Longing for a sinking

Ship that rules the bottom of the sea  
A bottle as a prison not really my idea  
Of a perfect environment it makes you see  
Everything's a blur  
Do you know what I mean
