

## Human Interest

Hooverphonic

You say this, you say that  
My better, no way you're sad  
Leave me alone right now

I used to be in love with this  
Now I'm trying to get rid  
Of all this human interest

Don't you dare to point your finger at me  
Look at yourself  
I'm not the one you want me to be  
Look at yourself

Some say, "No", and some say, "Yes"  
Less or more or more or less  
Leave me alone, right now

I used to be adored each day  
Now it's time for me to pay  
The dreadful price of success

Don't you dare to point your finger at me  
Look at yourself  
I'm not the one you want me to be  
Look at yourself

Some say, "No", and some say, "Yes"

Don't you dare to point your finger at me  
Look at yourself  
I'm not the one you want me to be  
Look at yourself

Don't you dare to point your finger at me  
Look at yourself  
I'm not the one you want me to be  
Look at yourself
