

## Don't Let Go

Hope Darst

There is a comfort that will wrap around the breaking  
There is a wisdom for the unknown  
And there is a counsel ever constant in the aching  
So close, so close

Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know

There is a waiting that will drive the heart to hunger  
And there is a valley where sorrow sings  
And even disappointment can return to awe and wonder  
So close, so close  
So close, so close

Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know  
Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know

Oh, of this one thing, I'm confident  
Oh, nothing will be missed  
Oh, until it's good, it's not the end

Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know

Hold on to hope  
Hold on to hope, oh woah  
Hold on to hope  
It's gonna be worth it, it's gonna be worth it in the end  
Hold on to hope  
Hold on, hold on, oh

Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know  
Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know

Oh, of this one thing, I'm confident  
Oh, nothing will be missed  
Oh, until it's good, it's not the end

Oh, soul, hold on to hope and don't let go  
Oh, soul, just be still and know, oh  
Oh, soul, hold on to hope and don't let go  
Don't let go
