

I Glorify

Hope Darst

I will exalt You, exalt You
Offer You all of my praise
I will exalt You, exalt You
Let nothing else take Your place

Yes, I will always lift You up
Over the battle, over the trial
God, You will always be the one
I glorify

I will adore You, adore You
Worship with all of my heart
I will adore You, adore You
Love You for all that You are

Yes, I will always lift You up
Over the battle, over the trial
God, You will always be the one
I glorify, I glorify
You are the source, You are the sum
Of every unseen blessing and victory
God, You will always be the one
I glorify
Mmm, I glorify
Ooh, I glorify

Be magnified, oh
Be magnified, oh
Be magnified, oh
Be magnified, oh
Be magnified, woah
Be magnified, woah
Be magnified, woah
Be magnified, woah

Yes, I will always lift You up
Over the battle, over the trial
God, You will always be the one
I glorify, I glorify
You are the source, You are the sum
Of every unseen blessing and victory
God, You will always be the one
I glorify

Mmm, I glorify
