

# If The Lord Builds The House

Hope Darst

I've built up my own name  
But the walls couldn't stand  
I've trusted my own strength  
But it was sinking sand  
So I put my ruins  
Into Your hands  
And watch You restore them  
Like only You can

Cause if the Lord builds the house  
Nobody can tear it down  
If the Lord builds the house  
Nobody can tear it down  
When it's built on His name  
There's nothing gonna shake this ground  
If the Lord builds the house  
Nobody can tear it down

The bricks may be weathered  
Through storm and through fire  
But what God holds together  
It stands firm every time  
Cause my life is anchored  
On this solid truth  
That whatever God's building  
No, it can't be moved

Cause if the Lord builds the house  
Nobody can tear it down  
If the Lord builds the house  
Nobody can tear it down  
When it's built on His name  
There's nothing gonna shake this ground  
If the Lord builds the house  
Nobody can tear it down

As for me and my house  
We're gonna serve You Lord  
So here's the keys  
Come on in  
Everything we have is Yours

As for me and my house  
We're gonna serve You Lord  
So here's the keys  
Come on in  
Everything we have is Yours

Here's the keys  
Won't You come on in  
Everything we have is Yours

If the Lord builds the house  
Nobody can (tear it down)  
Nobody can tear it down  
(If the Lord builds the house)  
Nobody can tear it down

When it's built on His name  
There's nothing gonna shake this ground  
If the Lord builds the house  
Nobody can tear it down

If the Lord builds the house  
Nobody can tear it down  
If the Lord builds the house  
Nobody can tear it down  
When it's built on His name  
There's nothing gonna shake this ground  
If the Lord builds the house  
Nobody can tear it down

I said if the Lord builds the house  
Nobody can tear it down
