

Let It Out

Hope Darst

When the battles are raging, surrounding me
There's a weapon of worship that brings defeat
It echoes Heaven
It echoes Heaven on the Earth

When the walls and the giants are all I see
There's a song that I shout 'til there's victory
It echoes Heaven
It echoes Heaven on the Earth

And all Your praise is living in my lungs
I'm gonna let it out, I'm gonna let it out
And all Your praise is on the tip of my tongue
I'm gonna let it out, I'm gonna let it out

In the midnight, in the silence, I will praise
Tell the darkness, tell the chains that, they have to break
I won't be quiet, no
I won't be quiet, I will sing
Oh, I will sing, hey

And all Your praise is living in my lungs
I'm gonna let it out, I'm gonna let it out
And all Your praise is on the tip of my tongue
I'm gonna let it out, I'm gonna let it out

Oh, oh-oh-oh-oh, I'm gonna let it out
Oh, oh-oh-oh-oh, I'm gonna let it out
Oh, oh-oh-oh-oh, I'm gonna let out Your praise

Here comes a miracle, nothing's impossible
God, You're unstoppable, nothing's impossible
When I praise, when I praise Your name
Here comes a miracle, nothing's impossible
God, You're unstoppable, nothing's impossible
When I praise, when I praise Your name
Oh, Your name

And all Your praise is living in my lungs
I'm gonna let it out, I'm gonna let it out
And all Your praise is on the tip of my tongue
I'm gonna let it out, I'm gonna let it out

Oh, oh-oh-oh-oh, I'm gonna let it out
Oh, oh-oh-oh-oh, I'm gonna let it out
Oh, oh-oh-oh-oh, I'm gonna let out Your praise
Oh, oh-oh-oh-oh, I'm gonna let it out
Oh, oh-oh-oh-oh, I'm gonna let it out
Oh, oh-oh-oh-oh, I'm gonna let out Your praise

Oh, oh-oh-oh-oh
Oh, oh-oh-oh-oh
