Jealous

Hope Tala

Keep your secrets far away from me
The truth will never set me free
So let me keep to myself 'til sunlight fades
Keep your distance when my blood goes cold
I can't help you when my eyes turn gold
The moon comes out and wolf comes through
I can't promise I won't hurt you

So leave me be and come back later
When the sun has set and I feel safer
I guess that I've been careless
Didn't want you to see me jealous

Hold me up as a martyr to your love
You can do with me what you will, I'll never run (I'll never run)
Put stars into my eyes, so when you look at me, you cry
Please never leave me for another when time flies

For now, leave me be and come back later
When the sun has set and I feel safer
I guess that I've been careless
Didn't want you to see me jealous
For now, leave me be and come back later
When the sun has set I will feel safer
Hold you close I'll be so tender
I know that I've been careless
Didn't want you to see me jealous

Ba-ba, da-da, ba-ba, da-da, ba-ba, da-da
Ba-ba, da-da, ba-ba, da-da, ba-ba, da-da
Ba-ba, da-da, ba-ba, da-da, ba-ba, da-da
Ba-ba, da-da, ba-ba, da-da, ba-ba, da-da

Leave me be and come back later
Sun goes down and I feel safer
Reunite me with my maker
Wolf out for blood, heartbreaker
Wolf out for blood, heartbreaker
Wolf out for blood, blood, blood

Out for blood in the night
'Til the dark turns to light
'Til the morning's calm sunlight
Come and see your lover, I won't bite
Come and see your, I won't bite
Come and see your lover

I guess that I've been
I guess that I've been
I guess that I've been
I guess that I've been
I guess that I've been
I guess that I've been
