

# DASH

## HORIZON

(MEANG CO)

Race like that, race like that  
Race like a flashing starlight, zip it on you  
(Ah-ooh) You know that it's my home ground  
(Ah-ooh) Don't even try to look around  
Yeah, la-la-la, light up to holler, rhythm is flowing like baller  
Time never ends like it's forever  
I say, "Yeah, bring it on, come on"  
(Ah-ooh) Start it like a brand new hour  
(Ah-ooh) I don't give a thing trauma

Ridin', I'll never gonna stop  
No rival on my way but never feel lonely  
Carpet is rolling down the ground  
We're running to the sky  
Can you feel my heartbeat?  
Running up high to the sky  
It feels like flying too higher  
Do what you want, stand up high, feel new wave

We go like a dash, dash, dash, dash, dash, dash  
Drippin' like a flash  
Bring the crash, crash, crash, crash, crash, crash  
Like a hurricane  
I say, oh, giddy-giddy up  
I say, oh, gimme, gimme, yeah  
We go like a dash, dash, dash, dash  
Go to the sky, to the sky, to the sky high

Tryna join me? But you're like a cliché  
Chasing money billion dollar, baby  
Why can't you cut it off your desire?  
Stay out of here or just get out of here  
Brrah-ta-ta-ta-ta-ta-ta, be very hurry, speed up, huh  
You know that I am fast enough

Ridin', I'll never gonna stop  
No rival on my way but never feel lonely  
Carpet is rolling down the ground  
Turn up the light and fly high

We go like a dash, dash, dash, dash, dash, dash  
Drippin' like a flash  
Bring the crash, crash, crash, crash, crash, crash  
Like a hurricane  
I say, oh, giddy-giddy up  
I say, oh, gimme, gimme, yeah  
We go like a dash, dash, dash, dash  
Go to the sky, to the sky, to the sky high

To the sky high  
Dash (Wow)  
We fly to the higher

We go like a dash, dash, dash, dash, dash, dash (Oh)  
Drippin' like a flash

Bring the crash, crash, crash, crash, crash, crash (Oh)  
Like a hurricane  
I say, oh, giddy-giddy up (Giddy-giddy up)  
Say, oh, gimme, gimme, yeah (Yeah)  
We go like a dash, dash, dash, dash  
Go to the sky, to the sky, to the sky high
