

# All Summer Long

Horrorshow

Summer sun on my windowsill  
I sit and think and wonder  
You know that I miss you still  
Though we were never lovers  
Summer sun on my windowsill  
I sit and think and wonder  
You know that I miss you still  
Though we were never lovers

Hear that girl? The rain's pouring  
Soundtrack to our forgotten story  
Reminisce sometimes, seeing the world through love's eyes  
Your friend was my sunshine  
Till I realised you eclipsed her  
Now I miss ya  
Never together, we wished it so, but  
Whatever the weather, you kept me afloat  
My first kiss landed right here  
Shit, haven't thought about that in years  
Now it's all coming back so clear  
Ghosts in my past  
Lying with the phone in the dark  
Talking shit just to hear you laugh  
Wild horses are what you told me  
Till we drift apart

And I still think of your face every time it rains  
And I wonder  
In a different time and place  
Could we find a way to one another  
And I still think of your face every time it rains  
And I wonder  
In a different time and place  
Could we find a way to one another

I was cleaning out my room  
Found a note that you wrote me, said  
"I hope we can be together one day" like the label name  
But some things don't stay the same (no, they don't)  
And I saw you just the other day  
We didn't have much to say, but when I touched your arm  
We begun to spark for a split second  
It's like nothing's changed  
Now I'm not saying we would've worked but  
Who's to say if we put in work that we  
Couldn't've made something real  
Reminisce on the way that you made me feel

And I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go  
And it goes

Summer sun on my windowsill  
I sit and think and wonder  
You know that I miss you still  
Though we were never lovers  
Summer sun on my windowsill  
I sit and think and wonder  
You know that I miss you still  
Though we were never lovers

Said I just want you to know  
That you were so beautiful  
Said I just want you to know  
That you were so beautiful  
Said I just want you to know  
That you were so beautiful  
Said I just want you to know  
That you were so beautiful  
Said I just want you to know  
That you were so beautiful  
Said I just want you to know  
That you were so beautiful  
Said I just want you to know  
That you were so beautiful

Said I just want you to know  
That you were so beautiful to me  
Said I just want you to know  
That you were so beautiful to me  
Said I just want you to know  
That you were so beautiful to me

I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go  
I just wanted to let you know  
That I never meant to let you go

I just wanted to let you know  
That I never meant to let you go  
My heart's like a metronome, it beats strong in my chest  
Giving me a new hope like the fourth episode  
I guess we'll never know  
But I just wanted to, I just wanted to  
I just wanted to let you know  
That I never meant to let you go

Whoa-oh (whoa-oh)  
Whoa-oh-oh (whoa-oh-oh)  
Whoa-oh (whoa-oh)  
Whoa-oh-oh (whoa-oh-oh)  
Whoa-oh (whoa-oh)  
Whoa-oh-oh (whoa-oh-oh)  
Whoa-oh (whoa-oh)  
Whoa-oh-oh (whoa-oh-oh)
