

# Have A Nice Day

Horrorshow

Business as usual  
In your suit and your tie, stuck in your cubicle  
As you dream of a life, something more suitable  
Wanna scream or just cry cos life is beautiful  
The feeling's mutual  
Oh yeah and outside  
All the people are going about their business  
Tryna climb to the top of mount Olympus  
Be the cream of the crop the compound interest  
Our common interest

Got me daydreaming now of a place  
Of a magical land faraway  
Where the children still know how to play  
And the bottom line don't get the final say, well OK, they saying

Isn't it a beautiful day?  
The cogs are all turning and the loot's getting made  
The businesses are booming, we're resuming the trade  
There's only one thing left to say and that's  
Have a nice day  
Have a nice day, yeah  
Have a nice day  
Have a nice day

Yeah I been thinking, sick of slaving  
While I'm chasing my pay with the rats in the race  
I should be living lavish like the pharaohs and queens  
But it seems I just got caught up in a pyramid scheme, yeah  
I wanna live a life with purpose  
Instead of saving up for the things that I purchase  
Leave a bigger tip for the customer service  
All adds up to the cost of the surplus  
Keep your receipts because there's no guarantees  
T's and C's apply within so read the print that's fine  
Cos nothing's for free

So won't you stay for a while  
You can say what you will  
While you're faking your smile, cos you got bills to pay  
The real estate is on ya case  
Yeah shit got real today...

Isn't it a beautiful day?  
The cogs are all turning and the loot's getting made  
The businesses are booming, we're resuming the trade  
There's only one thing left to say, it goes something like

Isn't it a beautiful day?  
Say goodbye to the weakest link in the supply chain  
So thanks for shopping with us, hope that you'll come again  
There's just one thing left to say and that's  
Have a nice day  
Have a nice day, yeah  
Have a nice day  
Have a nice day

We hope you  
Have a nice day  
Have a nice day  
Have a nice day  
Nice day  
Nice day
