

## Nothing To Be Done (Interlude)

Horrorshow

"So much on my mind that I can't recline  
Blastin' holes in the night till she bled sunshine"  
"Never silencing me  
And the feeling that's inside of this beat"  
"So much on my mind that I can't recline  
Blastin' holes in the night till she bled sunshine"  
"Never question what I am, God knows  
'Cause it's coming from the heart"
