

Bad Feeling

Horse Head

I try to find the context
But it just leaves me feeling nauseous
And I've been banking off of promises
And I've got a Bad Feeling about it
I've been thinking about you lately
And how I want you to be happy
The types of things you can do without me
And all the things that you doubted me for

Finishing the album seems pointless now
But I can't let Yawns & Fish Narc down
And it's a thankless act I know that now
But when it's all said and done
I'm thankful they were there for me
When the idea was still a go
And these songs will live in someones heart
When they needed it the most

I try to find the context
But it just leaves me feeling nauseous
And I've been banking off of false promises
And I've got a Bad Feeling about it
I've been thinking about it lately
Like how I'll never be happy
And I don't even know the real me
I just feel like I'm acting

Doing anything is pointless now
When the world ends, who will hear the sounds that I made
When I was feeling this way

And all the good, that won't come out of me
Let it just pass through me
Let it cut right through me
And all the good, that won't come out of me
Let it just pass through me
Let it cut right through me
And all the good, that won't come out of me (I've got a Bad Feeling about it
)
Let it just pass through me (I've got a Bad Feeling about it)
Let it cut right through me (It's so bad, it's so bad, it's so bad that I ca
n't seem to snap out of this)
And all the good, that won't come out of me (I've got a Bad Feeling about it
)
Let it just pass through me (I've got a Bad Feeling about it)
Let it cut right through me (It's so bad, it's so bad, it's so bad that I ca
n't seem to snap out of this)

I've got a Bad Feeling about it
I've got a Bad Feeling about it
It's so bad, it's so bad, it's so bad that I can't seem to snap out of this
I've got a Bad Feeling about it
I've got a Bad Feeling about it
It's so bad, it's so bad, it's so bad that I can't seem to snap out of this
I've got a Bad Feeling about it
I've got a Bad Feeling about it
It's so bad, it's so bad, it's so bad that I can't seem to snap out of this
