

# I Guess God Forgot About Us

Horse Head

Not enough time in the day  
It's hard to find the words to say  
I don't even want to face today  
You're the reason why I'm staying up late

Let my blood be the color of my own defeat  
'Cause heaven knows they don't want us to be  
Heaven knows they don't know about us  
I guess God forgot about us  
I guess God forgot about us  
I guess God forgot about us  
I guess God forgot about us  
I guess God forgot about us

I might have got lost on my way  
But here I am again  
If you're going to come, then stay  
I want to be the reason why you face the day

Let my blood be the color of my own defeat  
'Cause heaven knows they don't want us to be  
Heaven knows they don't know about us  
I guess God forgot about us  
I guess God forgot about us  
I guess God forgot about us  
I guess God forgot about us  
I guess God forgot about us
