

Live Without You

Horse Head

I could live with all my past mistakes
As long as you forgive me too
I could live my life full of regret
But I'll regret losing you
I could live without a roof overhead
As long as I'm living with you
I could live without a dollar in my pocket
I just can't live without you

I can't live without you here
I can't live without you
I can't live without you here
I can't live without you

If love is such a simple thing
Why do I always fuck it up?
I don't deserve your sympathy
And I still love you endlessly
I hate it when you're mad at me
I love it when you're proud of me
I love it when you're proud of me

I can't live without you here
I can't live without you
I can't live without you here
I can't live without you

I could live with all my past mistakes
As long as you forgive me too
I could live my life full of regret
But I'll regret losing you
I could live without a roof overhead
As long as I'm living with you
I could live without a dollar in my pocket
I just can't live without you
