

Mercedes

Horse Head

As soon as I swim through...
As soon as I swim through...

You deserve to be ridin' 'round in Mercedes
Where that navigation gon' take me
Been goin' through it lately
And you know it
You know that I've been true
Hope you think about me
I've been thinkin' bout you, but I

As soon as I swim through
This ocean gets to deep
And this love is too true
And this love is too true
Wanna ride around with you
I wanna ride around with you
I said uh, why you wanna get hurt so bad?
Why you wanna get hurt?
You deserve
You deserve all the diamonds in the world
I just wanna hold you

You deserve to be ridin' round in Mercedes
Where that navigation gon' take me
Been goin' through it lately
And you know it
You know that I've been true
Hope you think about me
I've been thinkin' bout you

I ride around in Mercedes
And that navigation gon' take me far away
Uhhh
Uhhh
Uhhh

Take the pills
Life is always sorrow
Search for God, but I always find pure gold
Dyin' thoughts from my soul, bleedin' soul
Even nowadays freezin' rain will make me cold
I just wanna see you ride around in Mercedes
So my heart can stop achin'
My soul will stop breakin'
Yeah you know I deserve [?] means the world to me
You're the girl I see
You mean the world to me
Girl come here
Yeah
I just wanna see you ride around in Mercedes
Where that navigation gon' take me
Been far away from it lately
