

Sidewalk

Horse Head

I feel lost and incomplete
Like the space between your feet
And the sidewalk you carelessly walk on
But it's in your reach I'll stay
There's no day better than today
'Cause tomorrow might not happen at all

I feel like you get me in the middle of the street
So drive the car all over me
And though it seems unlikely
That a girl like you would like a guy like me
I guess I should just wait and see

I feel lost and incomplete
Like the space between your feet
And the sidewalk you carelessly walk on
But it's in your reach I'll stay
There's no day better than today
'Cause tomorrow might not happen at all

I walk along this empty street
Bring you flowers every time we meet
Just so I could watch them wither up and die
And though it seems unlikely
That you'll end up right beside me
I guess I'll see you when I see you

I feel lost and incomplete
Like the space between your feet
And the sidewalk you carelessly walk on
But it's in your reach I'll stay
There's no day better than today
'Cause tomorrow might not happen at all
