

## Pizza Nif

HORSE the band

One slice lights up my life,  
Hot and fresh at any time.  
I attack like an animal,  
Delicious and casual.

Please can you go out and go get me some  
P (I want some) i-z-z-a! ?  
I wanna get my greasy little hands on some  
P (I want some) i-z-z-a!  
Please will you cook me up some of that delicious  
P (I want some) i-z-z-a! ?  
I want to go buy a slice of  
P (I want some) i-z-z-a!

What I want I want and I want it right now!  
What I want I want and I want it right now!  
What I want I want and I want it right now!  
What I want I want and I want it now!

I'm giddy with wiggle as I cut and I giggle.  
It's too hot to touch!  
My eyes alight so satisfied,  
My pizza nif!  
It's good I got enough to share,  
But will I dare?  
I'm giddy with wiggle as I cut and I giggle.  
It's too hot to touch!

When that hot fresh slice hits my mouth and my life I whooooooooom piz  
za nif!  
When that hot fresh slice hits my mouth and my life I whooooooooom piz  
za nif!  
When that hot fresh slice hits my mouth and my life I whooooooooom piz  
za nif!  
When that hot fresh slice hits my mouth and my life I whooooooooom piz  
za nif!
