Let me out
Somebody help (Somebody help me)
Somebody help (Somebody help me)
Somebody help me, somebody help me

I can feel it I’m in danger
I can't run away

Even a single drop of water
Sparkles this dazzling place (Yeh, yeh, yeh, yeh)

One careless step
Makes me pass out, oh yeh
Gulping anxiously
Can't let my guard down for one sec, yeh
So emergency
Too dangerous

Can't breathe
When you look at me, when you look at me
I shiver all over
When you touch me, when you touch me
You tie me up like a spider
We're tangled up, we can't escape
Like a spider, I enjoy this puzzle
Pretend to hate it baby, I still like it baby

Too many times I get caught though I know it
If this is fate, danger is okay
Must be intoxicated by your poison
Can't feel any anxiety
Oh, now I like this place

Even a single drop of water
Sunlight lingers deep inside here (Yeh, yeh, yeh, yeh)
Takes one step closer
Approaching you, oh yeh
Gulping anxiously
Can't let my guard down for one sec, yeh
So emergency
Too dangerous

Can't breathe
When you look at me, when you look at me
I shiver all over
When you touch me, when you touch me
You tie me up like a spider
We're tangled up, we can't escape
Like a spider, I enjoy this puzzle
Pretend to hate it baby, I still like it baby

I want to stay here with you here
Tangled up and trapped together
Countless attractions I can't escape
Pretend to hate it baby, I still like it baby
