Hiding From Tomorrow

HOST

We're all the same
In this messed up game we play
Were all hiding from tomorrow

Time to face the end
Time to face the sorrow
Face tomorrow

We're all the same
In this messed up game we play
Were all hiding from tomorrow

Free the sane
Free from endless tears
Were all in fear

Senseless are the days forgotten
Never trust the ones who thrive on fear

Free the sane
Free from endless tears
Were all in fear

Senseless are the days forgotten
Never trust the ones who thrive on tears

Times to face the end
Time to face the sorrow
Face tomorrow

We're all the same
In this messed up game we play
