

Inquisition

HOST

Without mercy, my hands are tied
Without fantasy, my hands are tied
Come out and rescue me

Intermission
Can't reflect
Can't neglect
This punishment
Inquisition
Can't reflect
Can't neglect
This jaded punishment

In tireless dreams, command the tide
Without clemency, those in denial
Come out and rescue me

Intermission
Can't reflect
Can't neglect
This punishment
Inquisition
Can't reflect
Can't neglect
This jaded punishment

Intermission
Can't reflect
Can't neglect
This punishment
Inquisition
Can't reflect
Can't neglect
This jaded punishment

For the rest of time
For the rest of time
Hold the emotion
