

Fishkill

Hot Action Cop

You might want this
Don't shake your head
Baby, you don't know
You might think it funny
When you find yourself in the middle of it
When I wrote this (Wrote this)
I was digging a hole in the back of my head
I can't focus (Focus)
I'm thinkin' you know I'd be better off dead

Know everybody hold up in this city
There ain't nobody sayin'
But I know they thinkin' they don't
And if you don't mind hearin'
When you're feelin'
Oh-oh, ah

She been a go-getter for a stun
A murderer, a freaky girl is the don
She used to live in Fishkill, baby
With a stun gun, and a dude lady
Uh

You might want this
You might start to want somebody else
And I know this (Know this)
I'm gonna want you more than I can help

A million people seen it in this city
There ain't nobody stayin'
But I know they're payin' it over
Bet you don't mind leaving
When you're feelin'
Oh-oh, ah

She been a go-getter for a stun
A murderer, a freaky girl is the don
She used to live in Fishkill, baby
With a stun gun, and a dude lady
And now she's jonesing on the corner
I'm gonna try and give her a doner
Smokin' on a new part, baby
Lookin' so fine, if a bitchy

You wanna give her a little
Gotta give her a little
You wanna give her a little
Hey, yeah-eh-eh
Gotta give it all
Hey, yeah

Oh-oh, ah
She been a go-getter for a stun
A murderer, a freaky girl is the don
She used to live in Fishkill, baby
With a stun gun, and a dude lady
And now she's jonesing on the corner

I'm gonna try and give her a doner
Smokin' on a new part, baby
Lookin' so fine, if a bitchy

You wanna give her a little
Gotta give her a little
You wanna give her a little
Gotta give her a little
You wanna give her a little
Hey, yeah-eh-eh
Gotta give her a little
Hey, yeah
Gotta give her a little
Hey, yeah
