Your burning your wheels  
Your leaving on gaging and giving you chills  
Your blinkin' and thinkin' and drinkin' and tryin' to shovel it up on the hi  
ll  
You piss in a cup, you wantin' your blood and you suckin' it up  
You throw in a dollah and let out a holla' your ready to guzzle it up  
But until that moment when all that you know pays off  
We gonna be right here in the same boat rooting for yeah

A million dollahs ah or even a hand job  
Anything at all;  
Let him know that he's a slob

They tryin' to fry you American Pie  
And every movie you sleeping at home wondering if you're alive

But barely do this you get freaky and then you get caught in a fight  
But if that's the way you want it  
And that's the way you need it

So you only makin' and shakin' and breakin' the booze till you're a perpetua
