

## Second Hand Cigarette

Hot Action Cop

Oh, just 'cause I love it when you gotta buzz  
I'm not but I wish I was stoned  
Alright, we're doing it outta sight  
Uptight, I need a light, oh  
Big shot been looking, but you gotta stop  
Slug rock around the clock, oh  
You're wrong to greet us so terminal, oh, oh

I've got a second hand cigarette  
What have you got, yo?  
Don't ya know?  
I've got a second hand cigarette  
What have you got, yo?  
You found three matches  
All out of ashes by the phone

Oh, in case I've fallen out of your grace  
I'll cut right to the chase, oh  
Sure tides, you're living so corp. abide  
Sound like a look a like, oh  
Just don't tell him by the telephone  
You don't fear the garden gnome, oh
