

Easy Does It

Hot Apple Pie

Sure thing, you're a sweet dream,
And I'm flattered... believe that.
I do appreciate the offer...
All right, just one dance.
Lord, I must to God, you sure feel good,
Against my skin.
I'd like to fade into the night with you,
But my heart won't let me pretend.

Easy does it, beautiful...
She ain't been gone that long,
An' I'm a real reluctant Romeo,
Baby, better take it slow.
Easy does it, beautiful,
Easy does it.

I still feel a bit tender,
A little unsure of where I stand.
One minute, I surrender,
The next one, I'm holdin' back.
Now, I don't want to push you away...
The truth is, I want this...
But I need a little time, baby,
I just can't be rushin' in.

Easy does it, beautiful...
She ain't been gone that long,
An' I'm a real reluctant Romeo,
Baby, better take it slow.
Easy does it, beautiful,
Easy does it.

They say patience is a virtue,
An' I believed that till I met you.

Easy does it, beautiful...
She ain't been gone that long,
An' I'm a real reluctant Romeo,
Baby, better take it slow.
Easy does it, beautiful,
Easy does it.

Easy does it. (Easy does it.)
Easy does it, yeah, oh.
Easy does it. (Easy does it.)
Easy does it.
Easy does it. (Easy does it.)
