

# Why Don't You Love Me

Hot Chelle Rae

See I can't wake up I'm living a nightmare  
That keeps playing over again  
Locked in a room so hung up on you  
And you're cool with just being friends

Left on the sidelines  
Stuck at a red light  
Waiting for my time  
And I can't see

Why don't you love me?  
Touch me, tell me I'm your everything  
The air you breathe  
And why don't you love me baby?  
Open up your heart tonight  
'cause I could be all that you need  
Ohhhhhhh  
Why don't you love me?  
Why don't you love me?

See I'm just too scared to tell you the truth  
Cause my heart ache can't take anymore  
Broken and bruised longing for you  
And I don't know what I'm waiting for

Left on the sidelines  
Stuck at a red light  
Waiting for my time  
So just tell me

Why don't you love me?  
Touch me, tell me I'm your everything  
The air you breathe  
And why don't you love me baby?  
Open up your heart tonight  
'cause I could be all that you need  
Ohhhhhhh

Why don't you give me a reason? (give me a reason)  
Please tell me the truth (Please tell me the truth)  
You know that I'll keep believing (I'll keep believing)  
Till I'm with you

Why don't you love me?  
Kiss me, I can feel your heart tonight  
It's killing me so  
Why don't you love me?  
Touch me, tell me I'm your everything  
The air you breathe  
And why don't you love me baby?  
Open up your heart tonight  
'cause I could be all that you need  
Ohhhhhhh  
Why don't you love me?  
Why don't you love me?  
Why don't you love me?  
Why don't you love me?

Why don't you love me?
