

## How Do You Do?

Hot Chip

How do you do it?  
You make me want to live again  
How do you do it?  
You make me want to live again

When you wake me in the morning  
That is my favorite thing  
The party is so warming  
As a strikes a chord upon my skin  
Now you sing in the evening  
With the voice that's bouncing like a spring  
A heart is not for breaking  
It's for beating out all the life it needs to begin  
It's for beating out all the life it needs to begin

Have we taken all we're good for?  
Have we registered our love in vain  
A church is not for praying  
It's for celebrating the life that bleeds through the pain  
It's for celebrating the life that shines through your veins

If you won't answer you sure are ours
