

Positive

Hot Chip

You're washed up and you're hated
You've lied, you're berated
You're despised, contaminated
Defeated, isolated
People look at you
A puzzle not a clue
To be solved by only you
As if you were not real
As if you could not feel
As if they could not help
Extend a hand in wealth
Of information
A declaration...
We get together sometimes
Talk about how we used to get together sometimes
Of love,

How we used to laugh together sometimes
Of something positive
(Sometimes)

Ah ooh, we get together sometimes
Talk about how we used to get together sometimes

Are you positive?

Move together sometimes

I don't know how I can live if you're positive
If you're positive

With certainty
Can you tell me
A decision's made?
Our best plans laid to rest
Do we now take a test
Of our certainty, of our certainty?
Will that set us free?

We'll always be, we'll always be
We'll always be, we'll always be
Prisoners, prisoners, prisoners of love
And when we lose ourselves
Do we lose our trust?
Prisoners, prisoners, prisoners of love

We get together sometimes
Talk about how we used to get together sometimes
... Of love,

How we used to laugh together sometimes

... Of something positive (sometimes)

Ah ooh, we get together sometimes
Talk about how we used to get together sometimes

Are you positive?
Move together sometimes
I don't know how I can live
If you're positive
Ah ooh
Ah ooh
