

Won't Wash

Hot Chip

Deck shoes, part green,
Part burgundy, your size,
Done gone gone
A healthy body , emergency
Flesh show, flesh gone gone

And my no go
Joyful, careful, bespoke
Gone gone gone

All of, every single, urgency, nothing
Gone gone gone

I'm washed up, washed out,
The sufers up, I'm made of doubt,
For what I need to say

Explain all, has happened, to me and you,
It just wont, wash with you,
It wont wash with you
