

## Emma

## Hot Chocolate

We were together since we were five  
She was so pretty  
Emma was a star in everyone's eyes  
And when she said she'd be a movie queen  
Nobody laughed  
Her face like an angel, she could be anything

Emmalene  
Emma, Emmalene  
I'm gonna write your name high on that silver screen  
Emmalene  
Emma, Emmalene  
I'm gonna make you the biggest star this world has ever seen

At seventeen we were wed  
And worked day and night to earn our daily bread  
And every day Emma would go out searching for that play  
That never ever came her way

You know sometimes she'd come home so depressed  
I'd hear her crying in the back room feeling so distressed  
And I'd remember back when she was five  
To the words that used to make Emmalene come alive

It was Emmalene  
Emma, Emmalene  
I'm gonna write your name high on that silver screen  
Emmalene  
Emma, Emmalene  
I'm gonna make you the biggest star this world has ever seen

It was cold and dark December night  
When I opened the bedroom door  
To find her lying still and cold up on the bed  
A love letter lying on the bedroom floor

It read, "Darling, I love you.  
But I just can't keep on living on dreams no more.  
I tried so very hard not to leave you alone.  
I just can't keep on tryin' no more."

Emmalene  
Oh, Emmalene  
Emmalene
