

You're a Natural High

Hot Chocolate

You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)

You give to me what I've never had
There's more to your love than eyes can see
You've taken me into something beautiful
And I can't explain what it is
I can't believe how it is

You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)

[?] you say I do
Makes me feel the same way too
And all the time you're touching me
Bringing out the best in me
And I can't explain what it is
I can't believe how it is
I can't explain what it is
I can't believe how it is

You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
You're a natural high (and I'm strung to the bone)
