

Grudge

Hot Flash Heat Wave

Sometimes we all wanna let it fall
Sometimes we just gotta let it hit the wall

I'm falling, bleeding
Fake a smile and wave, I'll be fine again
Spinning out, fading now
Going down, we're going down

It's all in my head
It's all in my head
It's all in my head
Yeah it's all in my head

Angel, whisper in my ear
Tell me the things I need to hear
Just say something

I'm sinking, drowning
Hang up the phone when you know I'm calling
Crying out, screaming now
No one's around

It's all in my head
It's all in my head
It's all in my head
Yeah it's all in my head

It's all in my head
It's all in my head
It's all in my head
Yeah it's all in my head

All in my
All in my
Uh-oh
All in my
Uh-oh
Uh-oh
Uh-oh

It's all in my head
It's all in my head
It's all in my head
Yeah it's all in my head

It's all in my head
It's all in my head
It's all in my head
Yeah it's all in my head
