

## Jacuzzi

### Hot Flash Heat Wave

In my jacuzzi I like to play  
With all my best friends everyday  
Hop in the water fresh out of school  
Skipping our class we start feeling cool

Back at my house  
We're getting in the jacuzzi  
Take off your blouse  
We're getting in the jacuzzi  
All of this love  
We're feeling in the jacuzzi  
In my jacuzzi

Hey!  
Yeah!  
Uh!  
Woo!

These days my life is just filled with bliss  
Had to quit school I wasn't with it  
Only so much precious life to live  
So I spend my time jacuzzin'

Back at my house  
We're getting in the jacuzzi  
Take off your blouse  
We're getting in the jacuzzi  
All of this love  
We're feeling in the jacuzzi  
In my jacuzzi
