

Don't stop
Keep going
Roll the dice, it's time to take a chance kid
They'll tell you life ain't so easy
I wouldn't listen to a word they have to say

'Cause it's a crime
To waste your time
Yeah

Tuned out
Glazed over
I never wanna act any older
'Cause they don't see past their fancy ties
They'd see better if they had no eyes

'Cause it's a crime
To waste my time
Yes, it's a crime
To kill my vibe

Hot Flash Heat Wave in Malibu, baby
Hot Flash Heat Wave in Malibu, baby
Hot Flash Heat Wave in Malibu, baby
Yeah, Yeah, Yeah

Won't stop
Got to keep movin'
I know the road that I'm choosin'
They try to tell me there's a wrong and a right way
But I don't listen to a word that they have to say

'Cause it's a crime
To waste my time
Yes, it's a crime, honey
To kill my vibe

Hot Flash Heat Wave in Malibu, baby
Hot Flash Heat Wave in Malibu, baby
Hot Flash Heat Wave in Malibu, baby
Yeah, Yeah, Yeah

Hot Flash Heat Wave in Malibu, baby
Hot Flash Heat Wave in Malibu, baby
Hot Flash Heat Wave in Malibu, baby
Yeah, Yeah, Yeah
