

Raindrop

Hot Flash Heat Wave

Like a raindrop
She'll be comin' down
She'll be comin' over
And we'll become unwound

Like a raindrop
Ooooh
Like a raindrop
She'll be comin' down

I've never seen the son of God
But I know Mary and she's smokin' on a cross
I've always wondered about love
Can it be real, or do we make it up?

Like a raindrop
She'll be comin' down
Sugar cubes and clovers
4 leaves to be found

Like a raindrop
Ooooh
Like a raindrop
She'll be comin' down

Ooooh
Ooooh
Ooooh
Ooooh
